MARCH MARLINS AUTUMN CHALLENGE

Sunday 17th October 2021

License Level 3 meet

LICENSE NO. 3ER210775

**Venue: Freedom (Manor)
Leisure Centre, Whittlesey, Cambridgeshire PE7 1UA**

Free Parking + Swimshop

It gives us great pleasure to welcome you back to Whittlesey for competitive swimming. As we all know there have been many changes over the past 18 months and so have some of our meet routines. Things will be slightly different for our Autumn Challenge and may take a while longer than usual. We thank you for your patience and cooperation. Whilst restrictions have been lifted, we are still taking some precautions to limit mixing and possible infection.

We recommend that those spectating have received both does of vaccination at least 14 days before the event. If possible, please take a rapid lateral flow test before the meet. if you are unwell or have symptoms, please don't attend.

We ask that swimmers arrive at the pool 'beach ready' as we have limited space in the changing rooms. On arrival could swimmers, coaches and spectators wait outside in the car park in their club groups. Please be mindful of other members of the public who will require access to the leisure centre and allow vehicles to enter and leave the car park. We will take swimmers, coaches, and team managers into the pool, club by club. Once swimmers have entered, we will bring in spectators, again one club at a time. Please follow the instructions from the volunteers who will direct you to your club's spectator seating area. Please use the sanitiser stations on entry and around the building. The entry desk will be outside of the pool.

Where possible, we ask that families to limit spectators to one per swimmer. We also recommend wearing masks inside the building.

Like many clubs, we have seen changes in membership over the pandemic and we have many volunteers in new roles. Without such volunteers, clubs and competitions would not run and we thank them all.

Given that this is the first licensed meet for many swimmers since the pandemic, we hope that swimmers' times reflect their resilience and hard work over the past 18 months, and we wish everyone the best of luck.
